Wind Factor

A variable wind factor on the fairway (or slope on the greens) will affect the accuracy of your shots and should be allowed for in your choice of club and direction.

The direction of the wind (or slope on the green) will be shown by an arrow, and force by No.0 to 9 at top right.

You will only see a part of each hole for each stroke. The view will follow each stroke from left to right throughout the game.

After each stroke you will be asked to choose a club and the direction for the next stroke.

PLEASE WAIT while I load the game.

	Hole	Par	Length	
	1	4	390	
	2	4	330	
	3	4	374	
	4	4	222	
	5	4	222
